

Alison Kenny Marriott – MILLINGFORD

I have owned a Scottish Terrier from being 10 years old and since then there has always been a Scottie in my life. I have bred/owned 9 UK Champions. In fact the kennel was the top UK Scottish Terrier kennel for the last decade.

I have also owned three Top Scottish Terriers of the Year in the UK namely Ch Millingford Northern Rock, Ch Millingford Kings Choice and Ch Millingford Cloudberry.

There are also many Millingford champions abroad that have competed at the top level.

I started my judging career in 1984 and gave my first CCs in the breed in 2001 at the Scottish Kennel Club.

Since then I have judged at Championship level at STBEA, North of England STC and Scottish Terrier Club of England. I have also judged in many countries abroad. I was also thrilled to judge the breed at Crufts 2019 where my Best of Breed won the Terrier group.

I am truly looking forward to judging the Swedish Scottish Terrier Club show and feel very honoured to be asked.

I am also looking forward to answering questions on the Scottish Terrier at the Skottfederationen conference on 26th July the day before the show.

Exciting times ahead talking about our favourite breed.
