

Scottish Terrier Conference Sweden

on 26th July 2024

As part of our official speciality dog show we will offer a Scottish terrier conference at hotel Erikslund Ängelholm the day before the exhibition at Krapperup Castle.

www.hotellerikslund.se

The conference starts at 13.00 and lasts until 18.00.

After the conference, the club invites all members to a three-course dinner. We will start with a toast of welcome.

Those who are not members are most welcome to attend the dinner at cost price.

The conference is free for members as well as non members interested in Scottish terrier.

Lecturer:

Mrs. Alison Kenny Marriott kennel Millingford

Mrs. Alison Kenny Marriott has owned Scottish terriers for 50 years. She is an experienced and well-respected terrier specialist who has judged Scottish terriers and other terriers around the world. The first judging assignment was in 1984. Of course, Crufts is on the merit list.

We have the privilege of Mrs. Alison Kenny Marriott judging our Scottish terriers at the show on 27th July, but also participating in our Conference on 26th July and giving a lecture. Here are some topics she will cover:

- What characteristics are important when assessing Scottish terriers.
- What does the development of the breed look like in England and the rest of Europe.
- What does she consider as the biggest threat to the development of the breed.

Cindy Pettersson Kennel So What

Cindy Pettersson has had Scottish terriers for more than 50 years.

Since 1994, Cindy has been an exterior judge. She has judged around the world and is a respected terrier specialist.

Cindy will be a lecturer for Scottish terriers at the judges' conference in 2024.

Cindy will:

- Discuss the survey - evaluation of exhibits - sent out to all members prior to the 2024 Judges' Conference.
- Explain the slide show and the compendium which will be used at the judges' conference.
- Breeder responsibility, including mentality

Björn Åblad

Leg. Veterinary. Specialist competence in diseases of dogs and cats.

Specialization in Cardiopulmonary diseases, medicine, ultrasound, and reproduction

- Problems with reproduction in Scottish terriers
